Updates in Histology

*Educational Seminar
Supporting
The Community Benefit Fund*

**Friday, March 7, 2014
Registration begins at 8:15 am**

Directions

Medical City Dallas is located in North Dallas at Forest Lane and Hwy. 75 Central Expressway.

Exit Forest Lane from Hwy. 75 Central Expressway. Go west on Forest Lane. Turn right on Park Central and then right on Merit Drive.

Care Tower E parking is on the right.

City Hall Auditorium is located on the 2nd floor of Care Tower E. Upon entering Care Tower E, proceed to the elevators or spiral staircase and go down to the 2nd floor registration lobby.

P.A.C.E® Credits = 5.0

Note: MCDH Laboratory is an approved provider of continuing education programs for clinical laboratory sciences by ASCLS P.A.C.E® Program.

Speakers

Sponsored by Children’s Medical Center Dallas:

Elma Cortinas is the Manager of Anatomic Pathology at Children’s. In this role, she oversees the operation of Histology, Electron Microscopy, and Autopsy Services. Michelle Lamphere is the senior technologist specializing in histotechnology at Children’s.

Sponsored by ARUP Laboratories:

Dr. South is currently an Associate Professor in the Department of Pathology at the University of Utah. She is a medical director at ARUP Laboratories and oversees the Cytogenetic and Genomic Microarray Laboratories. She also directs the cytogenetics training program at the University of Utah.

Sponsored by UTSW Medical Center:

Dr. Torrealba serves as the Medical Director of Histology and Immunohistochemistry Laboratories for the Department of Pathology at UTSW. He is also the Director of Surgical Pathology at Zale-Lipshy University Hospital as well as Associate Director of Anatomic Pathology and Director of Renal Pathology at UTSW Medical Center.

Sponsored by StatLab Medical Products:

Debbie Siena has over 25 years of experience in histology having served as the manager of hospital histology laboratories and as technical support for several companies. She currently serves as Technical Support Manager for StatLab Medical Products. She is active in histotechnology professional societies and is a frequent speaker at these events.
