CPT Code(s)

88175/88141

This test has been processed utilizing the FDA approved Hologic Genius screening system.

Prior Clinical History

Clinical Information: TEST

ICD Code(s): TEST

For PAP tests with an abnormal cytology result that were ordered as PAP with reflex HPV testing, the HPV result will be available in a separate report.

Comments

The Pap test is a screening test for cervical cancer and its precursors with an inherent false-negative rate.
