Dear Dr George,

The purpose of this letter is to verify that the laboratory located at the above listed addresses have current, valid Certificates of Accreditation. The certificate became effective on 02/09/2019 and will expire on 02/08/2021. The laboratory director listed for this facility is Tracy I. George, MD.

This letter is sent due to the fact that Clinical Laboratory Improvement Amendments (CLIA) certificates are not re-issued for regular certificate changes (i.e. demographics, ownership or laboratory director) or misplaced certificates. This letter is proof that the above stated entity continues to participate in the CLIA program. You will receive a new certificate from Centers for Medicare and Medicaid Services (CMS) at the time of your next renewal. If you have any additional questions, please contact me at 801-965-2531 or e-mail me at nheidman@utah.gov.

Sincerely,
