

# Critical Illness Insurance

## Help minimize the financial stress that may follow the diagnosis of a serious illness

### What is it?

Critical Illness Insurance pays a lump-sum benefit if you are diagnosed with a covered illness or condition. Critical Illness Insurance is a limited benefit policy. It is not health insurance and does not satisfy the requirement of minimum essential coverage under the Affordable Care Act.

### What conditions does it cover?

Unless noted, your payment will be at 100% of your benefit amount.
