

Reimbursement for Breastfeeding Pump & Supplies

Thanks to the Patient Protection and Affordable Care Act, your plan now offers coverage for a breastfeeding pump and related supplies!

As a covered member, you are eligible to receive reimbursement for one breast pump per pregnancy. This includes the purchase of a new breast pump or

reimbursement of rental fees for a rented pump not to exceed \$450. The purchase of a pump is very cost-effective and therefore is encouraged.

Breastfeeding supplies are also eligible for reimbursement. See below for what is covered and what is excluded for reimbursement.

Covered

- Tubing for breast pump, replacement
- Cap for breast pump bottle, replacement
- Breast shield and splash protector for use with breast pump, replacement
- Bottles that are compatible and used with the operation of the breast pump;
- Bottles that are for collection or storage only, not for feeding. Usually IO-I2 bottles
- Locking ring for breast pump, replacement
- Breast pump, manual, any type
- Breast pump, electric (AC and/or DC), any type
- Breast pump, hospital grade, electric (AC and/or DC), any type
