
Access Experienced Attorneys for Help During This Time

In response to the Covid-19 situation, MetLife Legal Plans is offering free attorney document review and consultation services to all ARUP Laboratories employees. You do not have to be currently enrolled in the legal plan to contact an attorney for help with issues related to this event.

This would allow you to contact an attorney for consultation and document review for issues such as:

- Caregiving legal matters, to have nursing home agreements reviewed, get answers to Medicare and Medicaid questions or consult about parents' estate planning documents
- Insurance forms and other real estate or rental documents
- Advice for estate planning and what documents you already have or may need

This free assistance is available through 7/31/2020. To get connected to an attorney, call the MetLife Legal Plans Customer Service Center at 800-821-6400. You will need to identify yourself as an ARUP Laboratories employee, provide the last four digits of your SSN or employee number and indicate that you are interested in the document review and consultation services being offered as part of the Disaster Relief Plan.
