

You could be paying 500% too much for healthcare. But how can you know?
We're here to change that.

Healthcare Bluebook is an online and mobile tool that quickly helps you find cost information by ranking local providers in an easy-to-read color system. We make shopping for healthcare services simple and straightforward.

Simply log into www.cnichs.com/members.html and locate Healthcare Bluebook

Why do I need this?

Healthcare prices vary a lot by location and by procedure.

\$ - Bluebook shows you the Fair Price™ of thousands of medical services as well as local providers that charge a Fair Price.

Download our mobile app on the App Store and Google Play to access custom content.

What is healthcare transparency?

Providing you, the consumer, with upfront cost information you can trust.

How can I see this information?

- www.cnichs.com/members.html
- Enter Username and Password
- Confirm or change the zip code

Getting Started

Use the search bar to search for a procedure and confirm or change your zip code for the most accurate information.

Search can be done using drop-down menus or by entering free text in the search bar.

Choose the procedure or test that your physician recommended.

Shop for healthcare- Locate a fair price provider

Shopping for Healthcare

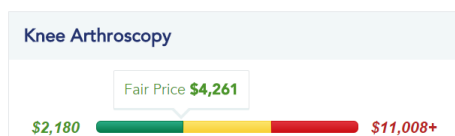

Some procedures can be shopped by price as there is little difference in quality and you probably won't interact with a physician. Like an MRI, or a CT scan.

We'll show you which procedures are ranked by price on this screen.

Shop by Price Rating

You've found the procedure or test you need - now what?

Bluebook shows you the Fair Price, as well as the price range in your area. Prices can vary by up to 500% so we've color coded providers in your area making it easy to pick one that charges a Fair Price.

COST ● At or Below Fair Price ▲ Slightly Above Fair Price ● Highest Price

Facilities ^ Distance ^ Rating v

Fair Lawn Diagnostic Imaging Center - Fair Brook (~ 27 miles)	●
Fair Lawn Diagnostic Imaging Center - Saddle Brook (~ 29 miles)	●
Gramercy MRI Diagnostic Radiology (~ 42 miles)	●
Radiology Associates of Ridgewood (~ 21 miles)	▲
Hudson Valley Hospital Center (~ 16 miles)	●
The Valley Hospital (~ 24 miles)	●

No providers listed? While Bluebook covers 90% of the US population, if we haven't identified a provider in your area, we can still help you. Contact our Pricefinder support at pricefinder@healthcarebluebook or 800.341.0504
