

Meet Heartbeat Health.

An in-network virtual care clinic offering cardiovascular care from anywhere.

Available to you through the Cigna Provider Network. **Simply schedule a convenient virtual visit and pay your in-network cost-share.***

Introducing heart care that's easy and convenient, so you can prevent, manage, and treat heart conditions from the comfort of home. Day and evening appointments available with a team of cardiologists, nurse practitioners, physician assistants, and registered nurses.

When necessary, Heartbeat Health™ will coordinate any necessary testing, manage medications, and work closely with local providers for advanced care.

Examples of conditions commonly treated:

- Atrial fibrillation
- Vascular disease
- Heart failure
- Post-acute care

To get started, scan the QR code or visit heartbeat.health/cigna

AllegianceSM
by Cigna Healthcare

A faster path to specialized care.

Virtual appointments typically scheduled within five days.

Evidence-based approach.

Clinically guided treatments, medication management and recommendations.

Convenient care is one click away.

No apps to download - just click on a link to connect to your virtual care.

Heartbeat Health is available as an extension of your care team, available to provide support in between visits and to collaborate with your doctor to ensure care is coordinated.

*Standard copays or coinsurance will apply. Not all groups allow coverage for telemedicine. Please review your Summary Plan Document for more details.
