

How to get the all-new HealthJoy 2.0

Excited to try the all-new HealthJoy 2.0? After months of work, we are thrilled for you to see it. The best part is, most of you will automatically get access to our latest version. Both Apple iOS and Google Android automatically update apps in the background. If you've set your phone to manually update apps, please initiate an update for the HealthJoy app today.

Visit the Apple and Google support pages for your phone

GOOGLE ANDROID
IE: SAMSUNG, HUAWEI,
MOTOROLA

APPLE IOS
IPHONE
