Prescription  
Plans

3. Enter the required information, including the Captcha words in the box to the left and click next:

The screenshot shows the 'Members' registration page for Kroger Prescription Plans. The page title is 'Registration: Step 1 - Identification'. Below the title, there is a brief introduction: 'Registering is easy! Registering will give you access to personal pharmacy benefit and drug coverage information. The first step of registration is to identify you. Please enter the following information from your prescription benefit card below. See an example of a prescription benefit card by clicking "What is this?" below.' A note indicates that asterisks (\*) denote required fields. The 'Personal Information' section contains the following fields: 'First Name', 'Last Name', 'Member/ID#' (with a note '(no spaces)' and a 'What is this?' link), and 'Birth Date' (with a note '(mm/dd/yyyy)'). To the right of these fields is a CAPTCHA box with the text 'I'm not a robot' and a small image of a robot. At the bottom of the form are 'Next' and 'Cancel' buttons. Below the form, there are links for 'Privacy Policy', 'Disclaimer', 'Contact Us', and 'Terms of Use', and a copyright notice: 'Copyright ©2005-2018 MedImpact, Inc. All rights reserved.'

4. Enter Username and Password, confirm password. Click next:

The screenshot shows the 'Members' registration page for Kroger Prescription Plans, Step 2 - Sign In & Contact Information. The page title is 'Registration: Step 2 - Sign In & Contact Information'. Below the title, there is a note: 'Please complete the user information requested below.' A note indicates that asterisks (\*) denote required fields. The 'Username cannot contain:' section lists: '- spaces' and '- special characters'. The 'Password should:' section lists: '- be between 8 and 15 characters' and '- contain at least 1 number or special character'. The 'Password cannot include:' section lists: '- the following special characters: ( ) \* < > ..', '- your last 10 passwords', and '- easy-to-guess words'. The 'Sign In Information' section contains the following fields: 'Username' (with a note '(max. 30 characters)'), 'Password', and 'Confirm Password'. Below this is the 'Contact Information' section, which is partially visible. At the bottom of the form are 'Next' and 'Cancel' buttons.

We know that your Health Matters.

The information on this site is not intended to replace the diagnosis and treatment recommendations of your physician or other health care professionals. It is a resource to keep you up-to-date about your pharmacy benefit and help you manage your health by providing access to comprehensive health and wellness information.

- Once you sign in, the next screen will provide **plan** specific pharmacy information with many options including the drug price check tool.

This screenshot shows the "Members" page of the Kroger Prescription Plans website. The page has a blue header with the "Members" title and a "SIGN OUT" button. A left-hand navigation menu includes links for "Welcome", "FAQ", "Glossary Of Terms", "Help Desk", "Generic Resource Center", "Drug Information", "Benefit Highlights", "Drug Price Check", "Prior Authorization Status", "Pharmacy Locator", "PersonalHealth Rx", "Mail Order", "Specialty Pharmacy", and "Formulary". The main content area is titled "Welcome, Demo" and contains a "Pharmacy Benefit Tools" section with four items: "Drug Information", "Benefit Highlights", "Drug Price Check", "Prior Authorization Status", "Pharmacy Locator", and "PersonalHealth Rx". A disclaimer at the bottom states that the information is not intended to replace medical advice. A promotional banner at the bottom left says "We know that your Health Matters." with a "View Newsletter" button.

- To check drug prices, click on drug price check and enter the drug name and click search:

This screenshot shows the "Drug Price Check" tool on the Kroger Prescription Plans website. The page features the "PilotRx" logo and a search interface. The "Find Drug" section prompts the user to "Enter the first characters (3 or more) of a drug name." and shows a search box with "lipitor" entered. Below the search box are "Search" and "Help" buttons. The "Search Results" section displays a list of four options: "LIPITOR 10 MG TABLET", "LIPITOR 20 MG TABLET", "LIPITOR 40 MG TABLET", and "LIPITOR 80 MG TABLET", each with a "Select" button. A small disclaimer at the bottom reads: "Member! Please note the accuracy of all the data shown on this web site. It is not meant to show all data. Price Check should only be used for..."

Back Start Over

**Most Commonly Dispensed Similar Drugs**

**You Selected:** LIPITOR 10 MG TABLET (ATORVASTATIN CALCIUM)  
(Considered a Maintenance Drug)

**General Drug Class:** CARDIOVASCULAR DISEASE - LIPID IRREGULARITY  
**Specific Drug Class:** ANTITHYPERLIPIDEMIC - HMG COA REDUCTASE INHIBITORS

The listed drugs are in the same drug class as the above drug. Please ask your doctor to talk to you about similar drugs. Ask your doctor about dosages. You should also ask your doctor about any side effects and risks. Your doctor will know if one of these drugs would fully treat your condition.

The drugs shown are not the entire drug list. Only similar drugs, in tiers that should cost you less, are shown. Please choose "View All Similar Drugs" for entire list of drugs in the therapeutic class.

This will provide drug pricing, restrictions, and sometimes upcoming formulary change announcements pertaining to the drugs (as shown).
