

LEUKEMIA &
LYMPHOMA
SOCIETY®

The mission of The Leukemia & Lymphoma Society (LLS) is to cure leukemia, lymphoma, Hodgkin's disease and myeloma, and improve the quality of life of patients and their families.

**Curing blood cancer today
can unlock the cure for all
cancers tomorrow.**

Join LLS and help create a world
without blood cancers.

BEATING CANCER IS IN OUR BLOOD.

LLS has a strong history of fundraising innovation. With our iconic *Team In Training* campaign, LLS pioneered the sports endurance training for charity movement. Our inspiring *Light The Night* evening walk creates a community of survivors, supporters and caregivers. The *Pennies For Patients* campaign offers participating schools a proprietary STEM curriculum to integrate into their classrooms and fundraising events. *Big Climb* continues to take fundraising to new heights in cities across the country. With our *Students of the Year* campaign, conceived from our spirited philanthropic competition *Man & Woman of the Year*, LLS continues to raise the bar for peer-to-peer fundraising.

Find out how you can participate in one of our signature campaigns at www.LLS.org.

There are so many ways to help in the fight to end cancer!

Take action by advocating for patients at the state or federal level, or dedicate your time and talent by volunteering with LLS.
