3. Receive email verification and activation

- A verification link will be emailed to you within five minutes. If you do not see the email in your inbox, refresh your inbox or check your spam folder.
- Open the verification email and click "Activate Navitus Account".

Note: the verification link expires in exactly one hour.

4. Create an account

- Set up a password to create your account. For your security, your password must be at least eight characters and include a lowercase and uppercase letter, a number and a symbol.
- You will then be taken to the sign-in page.

5. Add the Navitus mobile app

- The Navitus mobile app allows you to quickly access your benefit information directly from your smartphone. You can download the app from your app store or by scanning the QR code provided. If you have already registered for the member portal, there is no need to register again for the mobile app. Just log in using your member portal username and password.

It's that easy. Get started today!

*Your plan must be effective before your member portal will be active.

If you experience any issues while using the member portal, please contact the Navitus Customer Care team at 855-847-1025. Assistance is available 24 hours a day, 7 days a week.
