Select Provider Network

Please refer to the Network Logos on your Health Benefit ID Card to determine which networks you can access.

ALLEGIANCE NETWORK

This list contains Providers and Hospitals that are contracted with Allegiance. Although the majority of providers under Allegiance Direct are located in Montana, this network does contain some providers that have offices located outside the state of Montana.

CIGNA

The CIGNA logo is required in order to access this network. CIGNA provides a large national proprietary network with deep discounts and excellent provider access with over 4,200 facilities and 540,000 physicians in 49 states. CIGNA has 26 network offices throughout the country responsible for provider contracting and credentials, provider relations and continuous re-contracting initiatives to improve network discounts. If you are a Montana member, the Cigna national network is only available for services outside of Montana. Please return to the main provider search page to find a provider in Montana.

5. Continue to the Cigna Provider Search page and select your locations my city name or by zip code. Then select the Cigna OAP Plan by clicking on the orange **Pick** dropdown. Lastly, enter the type of provider you are searching for. A list of in network providers will show up and you will have the option to view providers on a map display.
