There are two reasons why you are receiving this important message:

Your Plan has added an important program that includes the Plan's Select Drugs and ProductsSM List*.

Your Plan is continuing to offer generous specialty drug benefits while attempting to reduce costs to you and the Plan.

*The Plan's Select Drugs and ProductsSM List includes drugs, products, or services typically prescribed by a specialist for chronic health conditions and other complex conditions that may result in financial hardship that makes these therapies unaffordable for you and your family.

How It Works

What is the Select Drugs and ProductSM Program?

The Plan's Select Drugs and ProductsSM Program provides advocacy services to assist you by identifying and facilitating your enrollment in publicly available financial assistance programs that may reduce or eliminate your out-of-pocket costs for certain prescription drugs, products, and services. A Plan's Case Coordinator will contact you to guide you through the program. The Plan continues to offer generous healthcare benefits but needs your help to continue to meet this goal.

Your active role in helping the Plan reduce your costs is important. The Plan is sponsoring this program at no cost to you. However, you may be required to pay a portion of the cost to acquire your specialty drug, product or service depending on specific situations.

What is the Enrollment Requirement for the Select Drugs and ProductsSM Program?

The Plan requires you to enroll in its Select Drugs and Products Program by following the three-step process outlined above, which starts with a response to texts, calls or other outreach efforts from the Plan's Case Coordinator in a timely manner.

What happens after I enroll in the Select Drugs and ProductsSM Program?

After enrolling in the Plan's Select Drugs and Products Program, you will be asked to complete certain documentation related to the financial assistance program(s) identified by your Plan's Case Coordinator. This will include providing required documents and information to the assistance funding program from you and may require your prescriber's participation as well. Your timely responses will help you avoid any delays in processing your documentation.

Your Plan Case Coordinator will help you obtain your prescription drugs, products, or services and reduce your out-of-pocket costs by coordinating funding of your out-of-pocket costs. After your acceptance into a financial assistance program, your Plan Case Coordinator will contact you before and after each refill or episode of care to ensure there is no disruption in your treatment.
