

XP Health

Modern vision care, designed around you.

A simpler, more affordable way to get glasses, contacts, and vision care.

Shop online or visit an in-network provider. Thousands of frames, doctor-recommended lens features, and licensed opticians make vision care simple from start to finish.

Why Members Choose XP Health

Created for Everyone

Vision care for every member, not just those with a prescription.

100%
Eligible

Better Value

No unnecessary retail markups.
