

Take Control

of your hospital and sendout lab analytics

AnalyticsDx™ Comprehensive

This secure, HIPAA-compliant solution gathers all your data into one seamless database, giving you the power to quickly act on inefficient test utilization and identify systemwide savings.

- ✓ Reduce lab inefficiencies.
- ✓ Implement interventions at the point of care.
- ✓ Collaborate cross-functionally to improve care.
- ✓ Identify savings opportunities sooner.
- ✓ Maximize your reimbursement claims.
- ✓ Monitor trends over time.
