

# Effortless Savings? Check.

## Built-in analytics for ARUP tests

## AnalyticsDx™ Sendout

Easily manage all the testing sent to ARUP Laboratories. This dashboard is accessible for all clients who use ARUP as their reference lab—at no additional cost.

- No need for spreadsheets or additional IT resources.
- Effectively track volume, turnaround time, and other important metrics.
- Utilize guidance from our world-renowned medical directors.
- Monitor and manage sendout costs in real time.

DON'T LET YOUR SENDOUT TESTING GO UNMONITORED. SCHEDULE A DEMO TODAY.
