ARUP ONLINE SCIENTIFIC
RESOURCE FOR RESEARCH
AND EDUCATION

Institute for
Learning

We help clinicians and laboratorians improve patient care by providing access to more than 300 video lectures, mini-lectures, test utilization spotlights, and podcasts. We issue more than 85,000 continuing education credits annually to clients, physicians, and laboratory professionals at no cost through our online continuing education courses that offer CME, P.A.C.E.[®], and Florida credit. Content is developed by ARUP's medical directors, who are faculty in the Department of Pathology at the University of Utah School of Medicine, along with other expert contributors. New content is added to our website monthly.
