ARUP ONLINE SCIENTIFIC
RESOURCE FOR RESEARCH
AND EDUCATION

Institute for
Learning

“Timely and practical video lectures by informed academic anatomic and clinical pathologists.”

—Alan Mare, MD

“Quality presentations of pertinent topics by excellent faculty.”

—Michael Teaford, MD

“Excellent speakers, convenient way to watch the lectures, diverse and interesting topics.”

—Olga Kinnally

“These providers allow me to gain more knowledge and advance in my career. Also, I have the opportunity to complete these courses online and for free which is very flexible.”

—Iris Mansfield

With more than 110,000 education credits issued annually to physicians and laboratory professionals at no cost, our comprehensive library of over 400 video lectures, spotlight videos, and podcasts provides a definitive resource for continuing education credit. Created by ARUP’s medical directors, who are also faculty at the University of Utah School of Medicine, along with other experts in laboratory medicine, our online course content offers insight, in-depth analysis, and practical knowledge on the most relevant and emerging topics in laboratory medicine.

Courses offer CME, P.A.C.E.[®], and Florida continuing education credit. New content is added monthly.

Subscribe to our monthly e-newsletter to stay informed and to easily access newly released educational content.
